# Evolving the Microsoft Partner Network programs

The world and how we work is rapidly changing. The opportunities for Microsoft partners—whether you build and sell services, software solutions, or devices—are significant. As the capabilities required by our customers have evolved, our partner programs must also evolve to meet that demand.

In this walking deck, we've outlined changes to the Microsoft Partner Network programs—focused on simplifying our programs, delivering greater customer value, investing in your growth in new ways, and recognizing how you deliver customer value.

# Partnering with Microsoft

Our partners have access to a variety of opportunities with the Microsoft Cloud to innovate, scale, and differentiate the types of solutions they provide—empowering people across their work and digital lives.

## Cloud Innovation

Through the Microsoft Cloud, partners drive innovation that is relevant to people and organizations around the world, leaving lasting impact.

## Differentiation

Partners can build differentiated solutions based on the unique technical extensibility, secure foundation, and the broadest business model.

## Scale

Partners can quickly scale with our unique go-to-market approach and the Microsoft commercial marketplace that connects millions of customers around the globe.

# Future state of the Microsoft Cloud Partner Program

GA – Oct 3rd '22

- Microsoft Partner Network will be *renamed to Microsoft Cloud Partner Program*.
- We are simplifying our Microsoft Network programs. We will move away from silver and gold legacy competencies and anchor to six, single tier Solutions Partner designations aligned to the Microsoft Cloud.
  - Modern Work, Business Applications, Security, Infrastructure (Azure), Digital & App Innovation (Azure), Data & AI (Azure)
- Advanced Specializations renamed to 'Specializations'.
- To attain the new Solutions Partner designations, partners will need to demonstrate their organization's capability in 1) performance 2) skilling and 3) customer success (as measured by the **partner capability score**).
- Partners have access NOW to the partner capability score dashboard in Partner Center that shows how each partner is tracking towards new designations and where they can take action to increase their score.
- As partners attain the new designations from October 2022, they'll have the choice to move to updated benefits or retain their legacy benefits.

# Focusing on customer needs and your growth

We want to help you grow a profitable business and to continue to deliver successful customer outcomes.

## Simplifying our programs

A new single tier Solutions Partner designation, aligned to six solution areas and the Microsoft Cloud.

Demonstrate your organization's capabilities in delivering customer success aligned to how Microsoft goes to market and where there is customer demand.

## Delivering greater customer value

Introducing a new partner capability score that holistically measures your organization's technical capabilities to drive customer success.

## Investing in your growth in new ways

We are making investments to help encourage business development, increase customer reach, and expansion through technical skilling and enablement.

## You have time to prepare

We are providing you with six months' notice before these changes begin. Start now and review what these changes mean for your organization and assess how they align to your strategic business plans.

# We are simplifying our Microsoft Network programs

We are introducing the Solutions Partner designation, anchored on the Microsoft Cloud in six solution areas aligned to how Microsoft goes to market.

These changes will act as a catalyst boost in the future for partner capability to sell through and sell with Microsoft.

Admins can sign in to [Partner Center](#) to see how your organization is progressing towards a Solutions Partner designation.

# Solutions Partner designations

The Solutions Partner designation becomes the first opportunity for you to set yourself apart from the competition by demonstrating your organization's breadth of capabilities aligned to solution areas. That's valuable for you, because it's where we see customer demand, and where the opportunity is for partners to scale to meet customer needs.

## Easily identifiable

Customers want to work with partners who have a deep knowledge and expertise.

A Solutions Partner designation identifies partners with specific capabilities and experiences in high customer demand solution areas.

## Choose one or more

Partners can choose to earn one Solutions Partner designation, or more, if applicable to your organization.

Once you attain a Solutions Partner designation, subsequent designations can be attained, after requirements are met, with no additional fee.

## Opportunity

There are significant opportunities for partners in this new world of work—whether you build and sell services, software, or devices.

# We are introducing a new, holistic partner capability score

Partners need a minimum of 70 points out of a possible 100 points to attain a Solutions Partner designation.

Holistic qualifications will measure your organization's technical capabilities, allowing you to showcase solutions you have delivered to help customers succeed and grow.

New telemetry-based partner capability score model provides you with flexibility to demonstrate your knowledge, skills, and experience.

New customer-facing badges to help you stand out and market your capabilities.

# How to attain a Solutions Partner designation

Each area will have a specific number of possible points. You have the flexibility to focus more on one category versus another depending on what is right for your business.

A minimum of **70** points must be earned, with points in each category.

There are **100** points possible in total.

## Performance

This category is measured by net customer adds.

## Skilling

This category verifies and demonstrates your dedication to skilling and training by intermediate and advanced certifications.

## Customer success

This category is measured by usage growth and the number of solution deployments.

# Two paths to points – (2) Certified professional associations

- Microsoft certifications are linked to an individual's learning account. To ensure your organization is benefiting from relevant certifications earned by employees, it's important to link the individual's certification to their organization's account in Partner Center.
- Once you've associated an employee with your Partner Center account, have your employees take the following steps:
  - Log in to Partner Center using their work credentials
  - Click on the setting icon at the top right and select Account
  - Go to My Profile and follow the instructions to associate both a Partner University and Microsoft Learning account

# New Solutions Partner designations

Options for existing Microsoft partners to transition to the new Solutions Partner designations.

We're evolving our partner program to meeting customer needs and grow your business, and our partnership, for the future.

- New Solutions Partner designation and updated benefits.
- No change to your existing anniversary dates.
- Options to retain your legacy benefits.
- Time to learn more and assess for your organization.

## Eligible to attain the new Solutions Partner designation(s)?

If your organization meets the criteria for Solutions Partner designation after general availability (GA), earning 70 points or more:

- Between GA and first anniversary date, partners will receive the new designation if they meet the requirements.
- No change to your benefits until your first anniversary date after GA.
- Go to Logo Builder in Partner Center and download your new customer-facing badge.

## Looking to continue with the new Solutions Partner designation(s)?

After meeting all requirements for your Solutions Partner designations, select one of the benefits package options:

- Solutions Partner benefits; OR
- Legacy benefits; OR
- And pay the associated annual membership fee.

**Announcement**  
**March 16, 2022**

**General availability (GA)**  
**October 3, 2022**

**First anniversary date after GA**

Learn more about the new designations and check your progress towards attaining a Solutions Partner designation and benefits in Partner Center.

Visit the Microsoft partner website to learn more: [aka.ms/Solutionspartner.Overview](https://aka.ms/Solutionspartner.Overview)

## Not eligible, need more time?

If your organization doesn't meet the criteria for Solutions Partner designation at general availability (GA), 70 points or more:

- No change to your benefits until your first anniversary date after GA.
- Legacy competencies and associated badging are no longer in market, but partners can choose to retain their legacy competency benefits.
- At any time after October 3, 2022, meet the requirements and earn the Solutions Partner designation.

## Still not eligible?

For partners who don't meet the requirements for a Solutions Partner designation and have renewed a legacy competency by September 30, 2022, you'll have the option to continue to pay a fee (aligned to your legacy competency fee) and retain your legacy benefits.

If you choose not to purchase your legacy benefits, you also have the option to purchase Microsoft Action Pack.

\*Available between anniversary dates with benefits change only available at anniversary date.

\*\*Available only on your anniversary date.
